MICHAEL N. VUCHNICH AWARD

Presented by
LINCOLN ELECTRIC

In 1986, the Lincoln Electric Company of Canada Limited established a trust fund for the purpose of funding the Michael N. Vuchnich Award, ($2,500 and a plaque) to be administered by a committee appointed by the Board of Directors of the Welding Institute of Canada and now its successor organization, the CWB Association. This award is presented annually to an individual who, in the opinion of the CWBA Awards Committee, has "done the most to advance the science, technology and application of arc welding in Canada in their Career."

The 2023 award will be presented at the Annual CWBA Conference in Moncton NB.

Congratulations to our previous winners:

1986	D.R.H. Reynolds
1987	Eric Shelton
