

RADIOGRAPHY SUBCONTRACT BID FORM

For one year from the date of award of contract, subject to the Specification for Radiography of Welder Qualification Test Assemblies, the following rates will apply:

Standard 6mm (1/4") Mild Steel Test Plate Assembly	\$	each
Standard 10 mm (3/8") Mild Steel Test Plate Assembly (Fig. 1)	\$	each
Standard 12mm (1/2") Mild Steel Test Plate Assembly	\$	each
Standard 19 mm (3/4") Mild Steel Test Plate Assembly (Fig. 2)	\$	each

Note: only the center 115 mm is examined on a 6- 10 mm thick plate; only the center 150 mm is examined on a 12-19 mm plate.

Please Note: All freight charges are the responsibility of the Sub-Contractor. (This does not apply if using digital radiographs.)
