Fabricating the Future Program Application Guidelines

Eligibility Criteria

To be eligible to apply for a Siegmund workbench, applicants must represent a secondary or vocational school in Canada that provides welding training. The Applicant must be 18 years of age or older and can be a student (under 18 will require a guardian signature), instructor, or faculty member and will also require signing authority from a faculty member.

Application Process

- Applicants must provide a completed application submitted through the online form. The following information will be required:
 - An overview of the welding programs currently in place:
 - including programs offered (welding, fabrication, drafting, etc.)
 - number of instructors in trades program
 - level of student participation
 - average number of trades students per year
 - A description of;
 - Current technology used in learning environment
 - The need/gap that currently exists within the trades program for equipment
 - The proposed plan for use of this welding table in your current trades program
 - Pictures of the existing facility
 - A write-up on why your program should have the new table.
- Complete the online form and email info@cwbbassociation.org for any questions
- All applications received will be reviewed for completeness and evaluated based on the eligibility criteria through the selection process identified below.
- Once applications have been reviewed and a decision has been made, applicants will be informed of their standing (approved, denied, waitlist).

Selection Process

Applications will be reviewed by an advisory panel to select two eligible applicants.

Expectations of Recipients

All applicants must confirm their agreement with the following expectations should they be a recipient:

- Provide a written summary /testimonial video of how the Siegmund welding table has benefited the awarded organization and students/instructor experience, including the impact on your program.
- Agree to ensure that the welding table has been implemented into the learning environment and is being utilized to its full potential.
- Agree to be publicly acknowledged and recognized through social media platforms with assistance from the CWB Association.
- Publish a minimum of 2 social media posts about the welding table acknowledging CWB Association and BTH Sales. Tag [@cwbgroupwelding](#) [@bthsales](#)
- Agree to include the organization's name and photographs in any internal and/or external communications or marketing collateral that the CWB Association deems appropriate.

For further information or if you have any questions, please feel free to contact our Programs Team at info@cwbasassociation.org .
