The 2026 Productivity Award sponsored by Linde Canada Inc. will be presented to a company that has made an investment and a conscious effort to increase efficiencies and productivity of its operations. The investment maybe in automation, process or procedure improvement. The nominations must be supported by documentation and a detailed description of your process before and after implementing your improvements. The selection will be made by the awards committee.

The award consists of a CWBA plaque and a **\$5,000 cash prize**.

**The 2026 Industry Awards will be presented on June 8th at the Welding Industry Day post-conference event in Milton, ON.**
