

FABRICATING THE FUTURE PROGRAM

Empowering Tomorrow's Fabricators Today!

Are you ready to elevate your school's welding program to new heights? Introducing the **Fabricating the Future Program**, a groundbreaking initiative by BTH Sales, in collaboration with the CWB Association. This program offers Canadian secondary and vocational schools the chance to win the strongest and most durable welding tables made by Siegmund.

Don't miss this incredible opportunity to enhance your welding program and empower the next generation of skilled welders and fabricators!

Why Participate?

- ▶ **State-of-the-Art Equipment**
Win a high-quality Siegmund welding table. These tables provide a safe and versatile work surface for students to perfect their welding and fabrication skills.
- ▶ **Boost Student Engagement**
Access to advanced equipment helps boost student interest and engagement, enhancing the capabilities of your welding program.
- ▶ **Exclusive Opportunity**
BTH Sales, the exclusive Canadian importer of Siegmund welding table products, is committed to supporting educational institutions with top-notch equipment.

Who Can Apply

- ▶ Students or faculty from secondary and vocational schools in Canada.
- ▶ Applicants must be 18 years or older.
- ▶ Applications require faculty sign-off with proper authority.

How It Works

- 1 Submit your application online September 22nd - December 1st, 2025.
- 2 Applications will be reviewed by an advisory board of industry and educational leaders.
- 3 Two schools will be selected and notified, with equipment shipped and officially presented with local media coverage.

Timeline

- ▶ **Applications Open: September 22, 2025**
- ▶ **Applications Close: December 1, 2025**
- ▶ **Winners Announced: January 2026**
- ▶ **Equipment Delivered: February 2026**

This program is more than just new equipment—it's an investment in the next generation of welders and fabricators, ensuring they have the tools and opportunities to succeed in a modern, evolving industry.
