Welding Awards Gala

The Welding Technology Class of 2025

The Conestoga College Welding Awards Gala is an annual event organized by the CWB Association Conestoga College Student Chapter and the graduating Welding Technology Engineering Classes.

Date: Wednesday April 9, 2025

Time: 6pm to 10pm

Location: Four Fathers Brewing Co.

125 Guelph Ave, Cambridge ON N3C 1A5

Cost: Student admission \$25, General Admission \$35

This event features:

- **Dinner and Socializing:** A great opportunity to network with industry professionals and peers.
- **Third-Year Capstone Presentations:** Students showcase their final projects, demonstrating their skills and knowledge.
- **Industry Connections:** Attendees can connect with potential employers and industry leaders.
- **Awards Ceremony:** Recognizing outstanding achievements and contributions in the field of welding.

Welding technology is critical to the economic success of Canada's manufacturing industries and infrastructure projects. Conestoga College has the most comprehensive program offering in the high-demand field of welding, metal fabrication and welding engineering technology in Ontario. The high caliber of student award recipients and strong commitment to the success of Conestoga's welding trades and technology programs is not possible without our industry sponsors and supporters.
