

March 3, 2020

Dear Members & Friends,

Our annual Student night is coming up for this year; Wednesday, March 25, 2020 at Red River College.

This event is a chance for the welding industry (in all its forms) to connect with students who are or may be interested in a career related to welding. This is typically held as a “fair” type event where companies can set up a booth, and students can go around and meet all of the companies present. While you are free to promote any positions you have, **the intent is to try and educate the students on the wide range of opportunities that the welding industry can provide.** We would gladly host any company that is involved in any facet of the industry. This is followed by a dinner and a couple of speakers.

As part of this year’s event we were hoping to find sponsors and/or participants who are willing to join us for the event.

We are looking for sponsors/participants for the following items:

- Set up a booth. We would love to have you come to show off your company and how you are involved in the welding industry. There is no cost for this, but we would like for each participant to provide prizes that we can raffle off to the attending students and instructors
- Dinner sponsor. We are looking for someone to cover the cost of the dinner, so the event can be provided free to students and instructors. This sponsor would be the main co-sponsor along with Red River College, who is providing the venue to us.

If this is something you are interested in helping out with, please reach out to any of the CWBA Winnipeg executive members or to our chapter e-mail, winnipeg@cwassociation.org.

You can find more information, or even sign up for the event at:

STUDENT NIGHT 2020

Wednesday, March 25, 2020

Do you want to learn more about the welding industry?

Do you want to meet some potential employers?

Then join us for our Annual Student Night!

Free to welding students, educators and parents.

Registration is **required**. Please register at:

<https://cwbawinnipegstudentnight2020.eventbrite.ca>

Hosted by Red River College in the Voyageur Dining Room at 2055 Notre Dame Avenue (the main Campus of Red River College)

This event is geared to anyone interested in the welding industry. We will have a variety of companies representing the welding industry available to talk and to network. Hear highlights and stories about careers in the welding industry from respected members of the industry.

Our annual student bursaries winners will be awarded at this event.

5:00 - Registration & Employer Booths

6:30 - Dinner

7:00 – Presentations, Door Prizes and Bursary Presentation
