CWB INFO DESK

This is the host booth for CWB Group which contains company information.

EXPO PAVILION

Here is where all the sponsor booths will be available for attendees to visit. The participating companies will have information much like a regular trade show booth. You can send either a public or private message to the hosting company and view their booth contents. Simply click on the booth you'd like to visit and you will find any available information the sponsor has posted within their booth.

BONUS! Sponsors can now offer video chats. When visiting a booth, simply ask the booth staff for a video chat and they can reach out to you for a one-on-one meeting.

Sample booth content buttons are shown below.
