The Robert J. Jacobson Memorial Award was established to honour an individual who has made an outstanding contribution to their CWBA Chapter operations. This annual award consists of a cheque for \$1,000 and a plaque which are presented at the CWB Association's Annual Awards dinner.

Each chapter is requested to nominate an individual who fulfills the requirements described above. If a past applicant was unsuccessful, the chapter may submit the same name again. A chapter may also nominate someone from another chapter. The nomination must be accompanied by a full description of the individual's outstanding contribution to the chapters operation, quoting specifics in each case as to why he or she has been chosen for nomination. The selection committee consists of the last three year winners.

The 2024 award will be presented at the Annual CWBA Conference in Toronto ON.

Congratulations to our previous winners:
