

# Careers in Examinations & Inspections: Online & In-Person Technical Demo & Panel Discussion

What do you know about careers in Examinations and Inspections? As an inspector or examiner, you would become a critical member of any construction or facility maintenance team, with potential to enter a wide range of industries and specialties (including weld inspection, corrosion inspection, in-field maintenance inspection, non-destructive testing, coatings inspection, etc.).

AMPP, AWS, IPEIA, and SAIT present: “Careers in Examination and Inspections: Online & In-Person Technical Demo & Panel Discussion”. Join us for a meeting in Calgary, or join us online to watch our technical demonstrations, followed by a panel discussion from industry inspectors and examiners.

**When?** Wednesday, May 8<sup>th</sup>, 2024

- **6:00pm:** In-person attendees may enter, and watch the technical demos
- **6:30pm:** Livestreaming begins, with online technical demos (in-person pizza & pop dinner)
- **7:00pm:** Panel discussion for in-person and online audience
- **8:00pm:** Event wrap-up, live stream ends

**Where?** SAIT NDT Laboratory, 1301 16th Ave NW, Calgary (see map on pg. 2)

**Who should attend?**

High school students (including members of the RAP and Dual Credit programs), high school teachers & counselors, educators, interested members of industry and post-secondary students.

**Ticket Sales:**

- In-person tickets will be sold (\$5) first-come-first-served (limited to 28 attendees – sorry, absolutely no exceptions). Ticket sales will end on May 3<sup>rd</sup> (at 4pm).
- Registration for online attendance (free of charge) will end May 8<sup>th</sup> (at 4pm). Attendees will be sent a streamlining link closer to the date of the event!

**To learn more & for ticket sales, visit:**
